This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor discoloration and faint horizontal lines near the top edge. Two dark circular holes are visible near the center of the page, possibly from a binding process. The overall tone is warm and slightly yellowed, characteristic of old paper.

This image shows a single, horizontal page of aged, cream-colored paper. The paper has a slightly textured appearance with some minor discoloration and faint, darker spots, characteristic of old paper. Two prominent, dark circular holes are visible near the center of the page, suggesting it was once part of a bound volume. The edges of the paper are slightly irregular and show some wear. The overall tone is a warm, off-white or light beige.
